Subject: Resignation from the office of City Clerk and Planning Commission member

I have been unable to perform my function of City Clerk of the City of Knoxville for the past several months. My wife has been ill and I feel that my priority must be to care for her. Because I do not know how much longer it will be before she recovers, I am hereby resigning my office. Since I have been unable to function properly I do not think it is fair to you, the citizens of Knoxville or the City itself to continue to hold the office. I am, therefore tendering my resignation as of 5-1-2018.

I will provide as much assistance as I can for a smooth transition to my replacement. I have added several features to the website and have written some instruction on how to maintain them. I will be glad to walk thru them with the next City Clerk.

I also resign my position on the Planning Commission, for the same reasons, as of 5-1-2018

Sincerely,

  
Charlie Gruner
