Duane J. Ratermann, P.E.
County Engineer

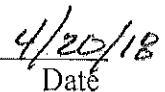

INTERGOVERNMENTAL AGREEMENT

2018 SEAL COAT

1. Knox County agrees to furnish the oil distributor, chip spreader, dump trucks, roller and the personnel necessary to apply the seal coat. The bituminous materials will be applied at the rate of \$45.00 per ton and the seal coat aggregate will be applied at the rate of \$16.00 per ton.
2. Knox County agrees to furnish the necessary bituminous materials at its 2018 bid price.
 - a. Seal Coat Material: PG46-28 = \$402.00 per ton (Asphalt Sales)
3. Once the work is completed, Knox County will provide the City of Knoxville the invoice for the bituminous materials that were used and Knoxville will pay the oil supplier directly.
4. Knoxville agrees to acquire the necessary seal coat aggregate and have it stockpiled prior to the seal coat work being done.
5. Knox County agrees to provide a self-propelled broom and operator to do any necessary sweeping prior to the application of the seal coat at a rate of \$75.00 per hour.
