

To The Knoxville City Council

I would like to request that the Knoxville City Council please rescind my application dated October 12, 2015 for a Tax Increment Financing (TIF) Commercial Building Repair & Façade Renovation Grant on the property in Knoxville TIF District, locally known as "The Pitstop", Located at 223 East Main Street (parcel id number (10-28-327-016).

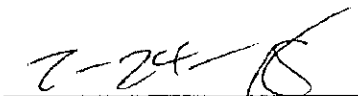

I no longer own the aforementioned property and will not be requesting any TIF funds for the work I have completed.

Thank you,
