Mr. Toby Myers
Mayor of Knoxville
13 North Side Public Square
Knoxville, IL 61448

Dear Mayor Myers:

Thank you for the opportunity to submit a proposal to operate and manage the Waste Water Treatment Plant in Knoxville.

BOCK INC. has operated and managed the Waste Water Treatment Plant for Knoxville for 23 years. The Waste Water Treatment Plant operates with a high degree of efficiency and productivity. BOCK INC. has been proactive on all aspects of maintenance and operations to serve the community of Knoxville in the most reliable manner possible. We appreciate the manner in which the governing body of Knoxville has supported us in the past.

BOCK INC. looks forward to serving the City of Knoxville and wants to keep the doors of communication open in the future. Attached is the operating proposal for the Waste Water Treatment Plant. No changes have been made to the contract.

Thank you for your time and consideration in this matter. I look forward to hearing from you.

Sincerely,

Stan Bockewitz, President
BOCK INC.
