

RESOLUTION NO: 2026-10

**RESOLUTION OF THE CITY OF KNOXVILLE, KNOX COUNTY, ILLINOIS
REGARDING THE AGGREGATE PURCHASE OF ELECTRICITY**

Whereas, the current electric municipal aggregation program to all residential and qualified small businesses will expire in June 2026; and

Whereas, the City Council of the City of Knoxville, Illinois has determined that it is desirable to continue the municipal electric aggregation program so long as the City can secure a competitive supply rate; and

Whereas, the City would like to combine their electrical aggregation loads with similar communities for cost efficiencies to provide a favorable energy rate; and

Whereas, City Council and Village Boards meetings of these communities meet at different times and dates; and

Whereas, the energy markets move each day and suppliers do not have the ability to hold competitive prices for an extended time;

Now therefore, be it resolved by the Mayor and Council of the City of Knoxville, Knox County, Illinois that by the adoption of this Resolution, the Mayor or Designee is authorized and directed to seek bids from responsible low bidders in order to negotiate and enter into a wholesale electricity supply contract for the City on terms as deemed appropriate and with said contract to be in the best interest of the City. This process and potential contract shall include residents, qualified small businesses and not exceed three (3) years in length and the Mayor or designee will report to the City Council the outcome of the solicitation as soon as is reasonably possible.
